

Minutes of Bradwell Monitoring Committee - WMTC - Approved

Meeting 22nd February 2017

Present

Chairperson: Cllr. Sylvia Wargent - Vice Chair: Cllr. Peter Banks

Members: Cllr. David Bragg; Graham Farley; Barry Turner

Apologies: Alan Brook; Ian Clarke; Bea Chandler; Richard Haward; Jane Dixon; Cllr. Sophie Weaver

The minutes of the previous meeting on 18th January 2017 were agreed.

Cllr. Banks led a discussion around the responses received January 30th 2017 to questions tabled by members before and during December 2016's LCLC meeting. The main topic covered was the ongoing FED dissolution programme and the concerns for future use of the Bradwell dissolution plant and new pipework.

Graham Farley raised the issues of both lack of trust in the authorities and the apathy around Nuclear issues re Bradwell. He asserted the need for finance to continue the proposed Judicial Review challenge to the Environment Agency.

Graham also covered certain aspects of the Radiation (Emergency Preparedness and Public Information) Regulations (REPPiR) in respect of Bradwell.

The Task Tracker was reviewed and worked through, see separate document.

Brief discussion was held at member Ian Clarke's request on discrepancies re both a general Mersea Evacuation plan (flooding) and in respect of Bradwell new build.

It was noted that some members of BANNG, including Professor Andy Blowers, Barry Turner and Cllr. Peter Banks, will be meeting Scott Raish on MARCH 2nd 2017 and will report back to the committee.

Date of next meeting: TUESDAY 16th May 2017 - 10:00am - Council Chamber

Date of next Magnox / Bradwell LCLC meeting: Wednesday 7th June 2017 9:30am
