

Free Family Coastal School Club

West Mersea Beach

What happens at Coastal School?

Family sessions exploring the beach. We will introduce activities such as shelter building, beach art, discovering and identifying marine life, games and children are then free to choose. There will also be a chance to cook over a fire. All sessions will be led by Forest School level 3 practitioners with many years experience working in environmental education. DBS checked and first aid trained.

Dates 7th, 14th, 21st and 28th October.
