Action

1. APOLOGIES FOR ABSENCE

Apologies received from Councillor May and Mr & Mrs Paddon.

2. MINUTES OF MEETING HELD ON 9 JUNE 2014 AND MATTERS ARISING

The minutes of the meeting held on 9 June 2014 were confirmed and signed by the Chairman as a true record, after a minor amendment.

3. KEY ISSUES AND OBJECTIVES

The Clerk advised that a response from Essex County Council Highways had been received stating that, following an inspection a low priority defect had been raised and passed to the Essex County Council Engineering Team. No date of completion was given although we were advised this work is normally carried out in the summer months.

No responses to the Committees' requests for highway improvements (second request January 2014) had been received.

A request for disabled car parking bays, with appropriate signage was agreed and the bays etc. would be installed by the Car Park Strategy Committee.

4. DATE AND TIME OF NEXT MEETING

It was felt there was little point in holding another meeting until a response had been received.

There being no further business, the meeting closed at 11.00 am.
