

WEST MERSEA TOWN COUNCIL

MINUTES OF THE COUNCIL MEETING

HELD ON THURSDAY 25 NOVEMBER 2021

PRESENT:	Councillors:	Carl Powling (Mayor) John Akker Julie Baker David Bragg Samuel Jarvis Robert Jenkins (Deputy Mayor) Sophie Weaver Chris Wood
IN ATTENDANCE:	Town Clerk:	Vanessa Allen
	Borough Councillors	Patricia Moore John Jowers
		4 members of the public

21/269 **APOLOGIES FOR ABSENCE.** To receive apologies for absence

Apologies for absence were received from Councillor Sylvia Wargent and Borough Councillor Robert Davidson. No vote was taken.

21/270 **DECLARATIONS OF INTEREST.** To receive declarations of personal, prejudicial and pecuniary interests from members relevant to items under discussion at the meeting

Councillor Akker declared a non-pecuniary interest in relation to agenda items 21/274 and 21/279 due to membership of Stop 350 and Mersea Island Society.

Councillor Powling declared an interest in planning application 21 2894 for discussion under item 21/274 and advised that it is his application he would be leaving the meeting for this item.

Councillor Jenkins declared a family interest in planning application 21 3096 for discussion under item 21/274.

Councillor Baker declared an interest as a member of Stop 350.

21/271 **PUBLIC PARTICIPATION.** A period of up to 15 minutes for members of the public to ask questions or submit comments

A member of the public spoke to state that the Dabchicks have stated that the Village Green does not extend onto the concrete apron and that flood barrier works fencing blocked access, with two residents only being able to use and all other residents having to walk over the barrier.

They stated that it is not West Mersea Town Council's role to interpret or draw maps of the Village Green and that the Council have formally been served notice that residents have been denied access across the Village Green. They requested that the sign is put up and to advise the Dabchicks Sailing Club that any queries regarding the map need to be raised with ECC Legal Services.

Councillor Powling responded to advise that residents have full access, the gate is unlocked, that the up and over walkway is for the general public when the seawall is open to use whilst construction is taking place. Once works to the flood barrier are complete the walkway and temporary structure on the Village Green will be removed. A meeting is to be arranged with the Dabchicks Sailing Club Commodore and the Old City Floodgate Group to resolve the Village Green issues.

A member of the public spoke on the flood prevention scheme and the locked gates and signs erected on the Village Green. ECC Legal department has written to advise that the project will be shelved unless resident complaints cease.

A member of the public spoke on the Rugby Club's new application on the planning portal which does not address the breaches to the original application. They questioned the Council's understanding of the application and what the Rugby Club have stated. They enquired whether the sports clubs have been given a deadline to remove advertising boards, as it is a year since this was last raised. The member of the public also thanked Councillor Jenkins for arranging the planting of the trees on the Glebe.

Councillor Wood responded to advise that the Council had met Mersea Island Sports Association, where the Council advised that it did not support the revised application. The advertising signs are addressed under the new lease, this cannot be enforced until the lease is signed.

A member of the public advised that they were commissioned by the Council in 2019 to make a sign for the village green, that they want payment for it and that they want the sign to be put up. Two signs, posts and fixings cost £470. The Council are the Statutory authority of the Village Green, Essex County Council are the register of Village Greens and Colchester Borough Council estates department have a conflict of interest.

Councillor Powling responded stating that West Mersea Town Council did not commission the sign and that Colchester Borough Council has refused permission for the sign.

21/272 COUNTY AND BOROUGH COUNCILLORS REPORTS. To receive reports from our County and Borough Councillors

Councillor John Jowers

Essex County Council have the definitive map of the Village Green and asked that the disagreement over the Village Green does not affect the Flood Defence Project. Councillor Jowers and Moore can provide for the sign from their allowance.

Councillor Jowers has spoken to the Highways buddy and has put in an urgent request to rebuild the kerbs on the grass verges on Victoria Esplanade and for Lawns Close which has water running off Mill Road. The angled junction with Firs Road and High Street North has been raised with NEPP as it is a boundary road taking circular traffic off the Island.

Councillors Jowers and Moore had a Zoom meeting with Brierley Paddocks developers, who advised that ECC have re done the designs and drawings for the pedestrian crossing. They are upgrading the cut through from the site into Cross Lane so that a pavement is not needed on south side of East Road.

They will block pave and include low level lighting and bollards to the south side of East Road. They have advised their contractors that there is no access to site from Cross Lane. They are also going back to the original scheme with gardens to gardens.

Councillor Jowers is chasing replacement light for Beach Road that has hasn't been working for several years.

The Local Plan is vital for Mersea, Part 2 with inspectors modifications need to be approved and will be put to the Borough Council to vote. If it does not go through it will cost CBC £1.5m and reopens issue of site allocation, witness the appeal for 52 houses in East Road.

Works to Strood railings and pavement are being completed.

Councillor Jowers has allocated £2000 to the Women's Institute and Strood Charity has given £1000 towards the renovations.

Mersea Museum has requested £1000 to put glass over the Bronze Age walkway.

Harbour Protection Project vital to save the harbour is underway. Mark Dixon and Richard Taylor have worked brilliantly for 3-4 years to get this work done.

Councillor Patricia Moore
