23/005 **PLANNING APPLICATIONS**

- To consider Planning Application received

(a) 22 3027

Erection of 3 detached dwellings with associated garages and parking facilities following the demolition of the existing dwellings on the site. 68 & 70 Seaview Avenue, West Mersea

It was RESOLVED that REFUSAL be granted in respect of this application.

The density of the proposal is too great for the site. The provision of three dwellings would be overdevelopment and provide a very significant amount and mass to the site. It would also significantly alter the wider street scene.

The proposal is contrary to policy WM 27 Design Considerations of the Adopted West Mersea Neighbourhood Plan which states that proposals will be supported where they produce designs that respect the density and scale of the locality. The local impact is detrimental and contrary to WM 7 - Loss of bungalows and chalet dwellings.
