COUNTY AND CITY COUNCILLORS REPORTS

To receive reports from our County and City Councillors

Councillor John Jowers reported that the changes at the tip have been flagged as overkill as commercial vehicles aren't permitted and inert waste isn't able to be left. The railings on the Strood have been repaired and Dawes Lane will be raised at the meeting with Cllr Lee Scott, Portfolio Holder for Highways Maintenance and Sustainable Transport. Colchester City Council are taking the grounds maintenance contract back in house. The City Council are debating whether to move from annual elections to four yearly, which will save £600,000. King Charles and the Queen Consort are visiting Colchester on Tuesday 7th March.

Councillor Robert Davidson reported that there will be a full Council meeting on 23rd March to approve the Tendring Garden Community and link road. Colchester City Council are reluctant to give permission as there is a £20m shortfall on the link road. Pressure is being put on Councillor Kevin Bentley, that the 9 month trail at the tip is not needed on Mersea. Amendments have been made so that residents can now apply and visit the tip the same day. There will be a garden waste charge from next year of £40 per household per year, and the bulky freight service for white goods has been withdrawn.
