

CHANGING PLACES TOILET

DLUHC - Department of Levelling Up, Housing and Communities award for £40,000 to West Mersea Town Council Changing Places TOILET.

The award of £40,000 to be spent to reimburse the amount spent by WMTC for their changing places construction and the remaining amount is to go towards the future development of the cesspool as discussed.

In addition the Town Council would need to action;

- To install a plaque to confirm it has been funded by DLUHC monies.
- A powered hand dryer to be installed.
- A sign to be added outside advising potential users (especially solo users) that the emergency alarm is not managed remotely or attended and will only alert someone waiting outside the CPT unit.

Press Release.

Communities, Colchester City Council are hoping to coordinate a press release.
