Dear Resident

Land Adjacent to Brierley Paddock, West Mersea, Colchester, Essex, CO5 8GQ

Please be advised we are writing to notify you we will be commencing investigation and enabling works at the above location from Monday 14th December 2020.

These works will involve mobile plant being delivered to site and hardcore to enable us to set up our site offices in the future. Whilst the plant is being delivered there may be some disruption to the access road whilst the delivery takes place which of course we will manage on the day.

We will also be removing some topsoil approximately halfway down the field to allow archaeological investigation works to proceed. It is envisaged these works will take place between Monday 14th December and Wednesday 23rd December 2020.

Whilst the above works are being undertaken, we will endeavour to ensure that everything is carried out to make the process as neighbour friendly as possible.

Should you have any queries or concerns relating to the works please do not hesitate to contact us on the number below and you will be directed to a member of our team who can assist, alternatively please contact us by email at: healthandsafety@cityandcountry.co.uk

Yours faithfully
