COMPLAINTS PROCEDURE

West Mersea Town Council is a democratically elected body with authority to make decisions on matters within its power. It works hard to provide a quality service to the people of West Mersea and to ensure decisions taken are in the interests of the town as a whole. There are inevitably occasions when it is impossible to balance the interest of everyone in the town and not everyone will be happy with every decision made.

It is hoped that you will always find the Council to act fairly and constructively, even if you do not always support its decision. If you should find that you have a complaint about an aspect of procedure or administration then you are invited to contact the Council using the complaints procedure below.

Conversely, if you think the Council has done something well and would like to compliment its actions, please contact the Clerk who will pass this on to Councillors.

1. The following procedure will be adopted for dealing with complaints about the Council's administration or its procedures. Complaints about a policy decision made by the Council will be referred back to the Council, or relevant Committee, as appropriate, for consideration.
2. This procedure does not cover complaints about the conduct of a Member of the Town Council.
3. If a complaint about procedures, administration or the actions of any of the Council's employees is notified orally to a Councillor, or to the Clerk to the Council, a written record of the complaint will be made, noting the name and contact details of the complainant and the nature of the complaint.
4. The complainant will be asked to put the complaint in writing (letter/email) to the Clerk to the Council at town.clerk@westmersea.org. The complaint will be dealt with within 21 days of receipt. Refusal to put the complaint in writing does not necessarily mean that the complaint cannot be investigated, but it is easier to deal with if it is in writing.
5. If the complainant prefers not to put the complaint to the Clerk to the Council (because the matter relates to the Clerk, for example,) he or she should be advised to write to the Mayor. The email address is on the website.
6. (a) On receipt of a written complaint, the Clerk to the Council (except where the complainant is about his or her own actions) or Mayor (if the complaint relates to the Clerk), will seek to settle the complaint directly with the complainant. This will not be done without first notifying any person complained about and giving him or her an opportunity to comment. Efforts should be made to resolve the complaint at this stage.

(b) Where the Clerk to the Council or a Councillor receives a written complaint about the Clerk's actions, he or she shall refer the complaint to the Mayor. The Clerk to the Council will be formally advised of the matter and given an opportunity to comment.

7. The Clerk to the Council (or Mayor) will report any complaint disposed of by direct action with the complainant to the Council.
8. The Clerk to the Council (or Mayor) will report any complaint that has not been resolved to the Council. The Clerk will notify the complainant of the date on which the complaint will be considered and the complainant will be offered an opportunity to explain the complaint to the Council orally.
9. Matters relating to Grievance or Disciplinary proceedings that are taking, or are likely to take place, should be dealt with in accordance with the Council's grievance and disciplinary procedures.
10. The Council may consider whether the circumstances of any complaint warrant the matter being discussed in the absence of the press and public, but any decision on the complaint will be announced at the Council meeting in public.
11. The Council may consider in the circumstances of any particular complaint whether to make any without liability payment or provide other reasonable benefit to any person who has suffered loss as a result of the Council's maladministration. Any payment may only be authorised by the Council after obtaining legal advice and advice from the Council's auditor on the propriety of such a payment.
12. As soon as possible after the decision has been made (and in any event not later than 10 days after the meeting) the complainant will be notified in writing of the decision and any action to be taken.
13. The Council may defer dealing with any complaint if it is of the opinion that issues arise on which further advice is necessary. The advice will be considered and the complaint dealt with at the next meeting after the advice has been received.
