25 July 2022

Dear Resident / Business owner,

Advance notice – Road closure for drainage surveys on East Road, West Mersea, CO5 8SA

We would like to make you aware the Essex Highways are planning to carry out drainage investigations on a section of East Road, West Mersea. Works are due to start on **Monday 15 August 2022** and expected to take two days to complete.

During this time activities will include carrying out CCTV surveys of the surface water system and full topographic surveys. The results of these investigations will help us determine requirements for long term improvements in the future.

In order to carry out the works in a safe manner, it will be necessary to close a section of East Road **between the hours of 9.30am to 3pm**. A local diversion route will be in place during the temporary road closure.

Access to properties located within the road closure will be maintained, however depending on the work taking place there may be a small delay while we make the works area safe before access can be granted.

To view information about these works and others in your area visit [One.Network](#). You can also follow the [@essexhighways](#) twitter feed. If you have a general highways enquiry you may wish to contact the Essex County Council customer service team via the online form: www.essex.gov.uk/enquiries, or for urgent highway matters call: 0345 603 7631.

We appreciate these works may cause temporary noise and inconvenience to local residents for which we would like to apologise.

Please note that the work programme may be subject to change if the works are affected by poor weather or if unforeseen issues arise.

We would like to thank you in advance for your co-operation while we carry out these essential works.

Yours sincerely,

Essex Highways
