

## **WOMEN FOR WOMEN**

### **WOMEN IN NEED**

Lovely Ladies, a dear friend of mine, Jan Bettley, visits refugee camps in Greece. Many of these ladies have little or no underwear. As you can imagine this is both demoralising and, for many, has personal hygiene implications.

When you do your supermarket shop, if you can afford to do so, would you please put a cheap pack of ladies briefs in your basket, in your usual size. If you could do this more than once it would be wonderful but a one off donation will be just as much appreciated.

My friend is taking 1000 pairs over in a couple of weeks but these won't go far and the washing facilities are almost non existent.

I can collect them and this generous gesture would mean such a lot to these ladies. I have provided a bag for the donations at the Council offices.

If you have any questions please feel free to contact me.

Thanking you in anticipation.
