

Save Mersea Harbour

David Tucker
Town Clerk
West Mersea Town Council

9th March 2016

Dear Mr Tucker

The Mersea Harbour Protection Trust

It is very kind of West Mersea Town Council to pledge £1800.00 towards the further funding of the project. Hopefully we shall be able to raise the funds from other organisations but it is very comforting to know that should it be necessary we have the back up of the Council so that we can continue with the project and hopefully see it to its full conclusion.

Kind Regards

Yours sincerely
