

**Mersea Harbour
Beneficial Placement
Scheme
Sketch: MH 001
22/10/2021**

Not to be used for Navigation

Packing Marsh Island
Cobmarsh Island
Old Hall Marsh

There are numerous other buoys and navigation marks not shown on this sketch, including those marking the Tollesbury and Mersea Harbour entrance channels.
Some of the Mersea Quarters buoys will have to be temporarily removed whilst certain parts of the works are underway.

Nass Beacon

Tollesbury Wick

The dotted lines show the approximate working areas for the dredger *Sospan Dau* and floating pipeline to be used for High Water placement of dredged material at Cobmarsh Island, Old Hall Marsh, Packing Marsh Island and Tollesbury Wick.
