Other communications with the media

- This policy does not seek to regulate councillors in their private capacity.
- The council's communications with the media may take one of three broad categories:
 - a) Clarification of agreed council policies, clarification of items on the agenda for the next council meeting; progress reports on actions the Council has agreed to take. All such requests from the press or other media for an oral or written statement or comment from the Council shall be referred to the Town Clerk, or in their absence the Mayor.
 - b) A request for a media comment at an event, whether organised by the Council or another party, at which the Mayor or Deputy Mayor has represented the Council. In such situations the Mayor (or Deputy) should make an appropriate statement to the media.
 - c) A request for a media comment on a local situation which does not directly involve the Council, for example, an achievement such as a local person winning an Olympic gold medal or a tragedy such as a drowning or road traffic accident.

In such circumstances the Mayor, or in their absence the Deputy Mayor, as the representative of the people of West Mersea, is the proper person to make an appropriate statement on behalf of the Council and the people of West Mersea.

- The Council's Town Clerk may contact the media if the Council wants to provide information, a statement or other material about the Council.
- Subject to the obligations on councillors not to disclose information referred to in paragraph 5 above and not to misrepresent the Council's position, councillors are free to communicate their position and views. If the views of councillors are different to the Council's corporate position and views, they will make this clear.
- The Mayor/Deputy Mayor shall prepare a response to any request from the press or other media which will then be circulated to all councillors to ensure they are aware of media interest. This may be done after the response is given to the media.
