## LOW SEASON

Online Booking Essential. To guarantee your crossing tickets must be booked in advance online at [www.brightlingseaharbour.org](http://www.brightlingseaharbour.org) Without an online booking the ferry will not take you across.

## MID/HIGH SEASON

Passengers booked online will take priority over non booked passengers. The ferry will collect non booked passengers when seats are available and run repeat trips.

During peak times in mid and high season it may not be possible to take all booked passengers across at your allotted time. In this instance the ferry will run repeat trips and there will be a slight delay.

The ferry takes a maximum of 12 passengers per trip. You can book tickets min 1 hour in advance of crossing.
